Overview

This Request for Proposal (RFP) documents Cape Girardeau Public Schools' requirements for network switches.

The acceptance of a proposal does not obligate Cape Girardeau Public Schools to purchase a system from any vendor. Cape Girardeau Public Schools reserves the right to reject all proposals and not make a decision. All costs for proposal preparation are the responsibility of the bidder. After receipt of the proposal, and prior to signing the contract, Cape Girardeau Public Schools reserves the right to modify the system requirements by adding or deleting specific equipment or optional features. Cape Girardeau Public Schools will be filing for E-rate service, the agreement to purchase will hinge upon receipt of E-rate funding.

Preference will be given to the vendor that provides a comprehensive, cost-effective solution for current specifications, future capacity requirements, and ongoing service and support.
