September 20, 2013

Dear Parent or Guardian:

Enclosed with this letter you will find information on a program developed by the Cape Girardeau Police Department and Cape Girardeau Public Schools. The title of the program is "Take Me Home" and is a free, voluntary service being offered to all people who may need special assistance during an emergency. Information is shared and stored so that emergency personnel and first responders are aware of the situation and will be better prepared to respond to the needs of community members.

The instructions and registration information are included in the packet. If you have additional questions or encounter difficulties during registration, you may contact Deena Ring at 335-1867 or DARE Officer Luther Bonds at 335-6621 or 200-3289.

Sincerely,

Deena Ring  
Director of Special Services

Luther Bonds  
DARE Officer
